I ve Been Wrong Before

**D**                      **Am7** **D**    **Am7**  
The night we met, the night that I won t forget  
**F**    **Am7**  
You seemed what I d been waiting for  
**D** **G**              **Am7**                      **D**                      **Am7** **D**  
But baby, I ve been wrong before

You held me tight and everything seemed just right  
I couldn t ask for more  
But baby, I ve been wrong before

**D**    **Bb**                      **C**    **D**  
He used to smile at me and a-hold my hand like you do  
**Bm**    **Bm7**    **A7**  
Then he left me and a-broke my heart in two

I see your face and feel your warm embrace  
You re all that I adore  
But baby, I ve been wrong before  
Oh baby, I ve been wrong before
