

Just A Little Lovin
Dusty Springfield

Just A Little Lovin

Cm **Fm** **Gm** **Fm**
Just a little lovin early in the mornin
Cm **Fm** **Gm** **Am**
Beats a cup of coffee for starting off the day
Cm **Gm** **Cm** **Gm**
Just a little lovin when the world is yawnin
G# **Gm** **Fm** **Bb7**
Makes you wake up feeling good things are coming your way

Chorus:

F# **Bmaj7** **E**
This old world wouldn t be half as bad
Amaj7 **D#m** **G#7** **C#m** **Bbm**
It wouldn t be half as sad if each and everybody in it had

Just a little lovin early in the mornin
That little extra somethin to kinda see them through
Nothing turns the day on, really gets it dawnin
Like a little bit of lovin from some lovin someone like you

Chorus

Nothing turns the day on...
