Dusty Springfield

Once Upon a Time

D G D G
When you passed my way it seemed my lucky day
D E A D E F#m
The world was oh-so fine once upon a time

D G D G
We walked for a little while, you smiled that special smile
D E A D E F#m
And when we said goodnight you held me oh-so tight

G C G Em
Then you found someone new and I spent my nights alone
C A
Cause now we re through, there s nothing I can do
D E A
I gotta say forget, forget him, forget him
Cause he s no good, no, no

Now, when you pass my way I guess I ll smile and say
To think that boy was mine once upon a time

To think that boy was mine Once upon a time
D E F#m D E F#m
Once upon a time Woh, oh, once upon a time
No, no, no, no, no, once upon a time...
