C Am Dm G
```
          C                        Am                       C               Am
Like the dog and the cat, waitin on the corner for the light to finally change
In a lightnin strike, the world turns white , like a cloud that whispered your
name
For the love of your life, we all wait longer for the key that opens the chain
Like the dog and the cat walking from the corner where the lights have finally
changed
```
Dm G   C   Am
```
Oooo, out in the rain,  out in the rain
Oooo, out in the rain,  out in the rain  (Bridge)
Oooo, out in the rain,  out in the rain
Oooo, out in the rain,  out in the rain  (End)
```

Bridge
```
      Dm                 G        Dm             G     (Vamp C Am Dm G)
We ve all been down the drain, its only a stupid fame
```
Dm   Em   Am   Dm G
```
Im like any other guy, just waiting on the sky, trying to keep dry
```

End
Dm   G   Dm   G
```
The buckets full of pain, are only in your brain
```
**   C Am Dm G** (repeat)
```
out in the rain
out in the rain, it never will change,  its always the same,  we ll all be,
out in the rain, the world (inaudible),  we re always,
out in the rain, out in the rain, out in the rain, we ll all be
```
