**G#**

I blame the vain for what we wear

**Bbm**

**G#**

And I blame the blind when we can t see

I blame it all on someone else

**Bbm C#**

**G# Bbm G#**

Till there s nobody left, then I just blame me

**G#**

I blame her mind for the thoughts we share

**Bbm**

**G#**

And I blame her heart for every time we cared

I blame it all on how we used to be

**Bbm C#**

**G#**

Till she s finally gone, then I ll just blame me

**Eb**

**G#**

So go ahead and blame anything that you want

**Eb**

Cause it all ends up the same

**C#**

**Eb**

When everything that you ve been claiming is wrong

Instrumental: **G# Bbm C# G#**

Oh and don t you know that blame is always never enough

It just keeps you in a game

Till you ve only got yourself left to bluff

No Chord            **G**  
So I blame the vain for what we wear

Yeah, and I ll blame the blind when we can t see

I ll blame it all on someone else

Till there s nobody left, then I ll just blame me

Till she s finally gone, then I ll just blame me
