A

I blame the vain for what we wear

Bm

A

And I blame the blind when we can t see

I blame it all on someone else

Bm

D

A

Bm

A

Till there s nobody left, then I just blame me

A

I blame her mind for the thoughts we share

Bm

A

And I blame her heart for every time we cared

I blame it all on how we used to be

Bm

D

A

Till she s finally gone, then I ll just blame me

E

A

So go ahead and blame anything that you want

E

Cause it all ends up the same

D

E

When everything that you ve been claiming is wrong

Instrumental: **A Bm D A**

Oh and don t you know that blame is always never enough

It just keeps you in a game

Till you ve only got yourself left to bluff

No Chord **G**
So I blame the vain for what we wear

Yeah, and I ll blame the blind when we can t see

I ll blame it all on someone else

Till there s nobody left, then I ll just blame me

Till she s finally gone, then I ll just blame me
