```
            F#                    Ebm
I was just standing, Alone in this room
              F#                              Ebm
Surrounded by memories, We stopped making too soon
                B                   C# (STOP)
Oh, I was just standing, I was just standing
              Ebm                  F# - C# (STOP)
Alone in this room.  Alone in this room

How I still want you, Wo and nobody else
                B                   C# (STOP)
Oh, I was just thinkin , I was just thinkin
        Ebm                 F# - C# (STOP)
All to myself, Oh all to myself

In the darkness I move slowly, Always struggling to be free
G#m
But I still hear your voice, Everywhere I see the choice

I was just wondering, If there was a way
              F#                          Ebm
Bringing back to me, Pretty things I could say
                B                   C# (STOP)
Oh I was just wondering, I was just wondering
              Ebm
If there was a way
```
