SOUTH OF CINCINNATI / Dwight Yoakam

A CG

Chorus:

          A          C#7          D          A  
If you ever get south of Cincinnati  
      D              E7              A  E7  
down where the dogwood trees grow  
          A          C#7          D          A  
If you ever get south of the Mason Dixon  
      D              E7              A  E7  
to the home you left so long ago  
          A          C#7          D          A  
If you ever get south of the Ohio River  
      D              E7              A  E7  
down where Dixieland begins  
          A          C#7          D          A  
If you ever get south of Cincinnati  
      D          E7          A          D  A  
I'll be yours again.

                  A                  D                  A  
She pulled the letter from the pages of her Bible  
                          E7                          A  
And a rose pressed inside the Book of Luke  
                  A                          D                  A  
For fourteen years she'd write each day but keep it hidden  
                          E7                          A  
Refused to even speak his name, but still she wrote:

Chorus:  
If you ever.....

[INSTRUMENTAL, SAME AS CHORUS]

**A**                **D**                **A**  
At a cold gray apartment in Chicago  
**E7**                                **A**  
A cigarette drowns inside a glass of gin  
**D**    **A**  
He lies there drunk but it don't matter drunk or sober  
**E7**    **A**  
He'll never read the words that pride won't let her send

Chorus:  
If you ever.....

**D**                **E7**                **A**  
Then I'll be yours again

[INSTRUMENTAL, SAME AS CHORUS (FADING)]
