Dwight Yoakam
Turn It On, Turn It Up, Turn Me Loose
[Intro]
[Verse 1]
                         A7
Well I m back again for another night
 Of trying to break free from this sadness that I can t lay to rest
 This old honky-tonk sure does feel like home
And the music with the laughter seems to soothe my loneliness
[Chorus]
 Turn it on, turn it up, turn me loose
 From her memory drivin me lonely, crazy, and blue
 It helps me forget her so the louder the better
                                A7
                                            D A7 D A7 D
Hey mister, turn it on, turn it up, turn me loose
[Verse 2]
                                   A7
 If a tear should fall, if I should whisper her name
A7
 To some stranger I m holdin while we re dancin
To an old Buck Owens song
                                 A7
 I know she won t mind, she won t even know
Α7
 She ll be dancin with a memory
 Cryin teardrops of her own
[Chorus]
