Turn It On, Turn It Up, Turn Me Loose

[Intro]
F#

[Verse 1]
F#   **C#7**
 Well I m back again for another night
                                                              F#
 Of trying to break free from this sadness that I can t lay to rest
                                  C#7
 This old honky-tonk sure does feel like home
                                                          F#
 And the music with the laughter seems to soothe my loneliness

[Chorus]
         B
 Turn it on, turn it up, turn me loose
               F#
 From her memory drivin me lonely, crazy, and blue
    B
 It helps me forget her so the louder the better
     F#   **C#7**   **F# C#7 F# C#7 F#**
 Hey mister, turn it on, turn it up, turn me loose

[Verse 2]
      F#   **C#7**
 If a tear should fall, if I should whisper her name
C#7
 To some stranger I m holdin while we re dancin
                         F#
 To an old Buck Owens song
                               C#7
 I know she won t mind, she won t even know
C#7
 She ll be dancin with a memory
                              F#
 Cryin teardrops of her own

[Chorus]
         B
 Turn it on, turn it up, turn me loose
               F#
 From her memory drivin me lonely, crazy, and blue

```
   B
It helps me forget her so the louder the better
   F#                              C#7         F#
Hey mister, turn it on, turn it up, turn me loose

[Chorus]
        B
 Turn it on, turn it up, turn me loose
                F#
From her memory drivin  me lonely, crazy, and blue
    B
 It helps me forget her so the louder the better
    F#                              C#7         F#
 Hey mister, turn it on, turn it up, turn me loose
