

Low

Dylan LeBlanc

**G** **C** **Em**  
Listening to you as you run through the trees  
**Em** **Am** **Em**  
The wind whispers no  
**G** **C** **Em**  
Looking at your smile brings me down upon my knees  
**Em** **Am** **Em**  
I don t have to go

**C**  
Are you feeling alright?

**G**  
Are you feeling low?

**C**  
Are you feeling alright?

**G**  
Are you feeling low?

Looking at your hair as it blows in the breeze  
I long to hear you laugh  
Looking in your eyes  
And that s all that I ll see  
Reflections of the past

Are you feeling alright?  
You re free at last  
Are you feeling alright?  
You re free at last

I don t have to run  
When I am with you  
I don t hide my fear  
All is said and done  
When I m next to you  
I won t cry no tears

I ll be feeling alright  
When I can t feel  
I ll be feeling alright  
When I can t feel
