

**No Control**

**Dylan Reynolds**

Not sure if it s called bsus2 but on piano it s B F# C# I think. Think he makes the chords add7 when he plays but again I m not sure.

[Verse 1]

**B**  
I could be your friend  
**F#**  
We dont have to pretend  
**E**  
You make it better  
**F#**  
You dont really even have to try

[Verse 2]

**B**  
Someone out there is living my dream  
**F#**  
Heaven is closer than it seems  
**E**  
You ve always known it  
**F#**  
I m just learning it somehow

[Chorus]

**B**  
I ve got no control I m just living for the moment  
**F#**  
I lost all control and I did nt even know it  
**E**  
I m thinking you re the only one  
**F#**  
Who could take me back home

[Verse 3]

**B**  
What a beautiful day  
**F#**  
Don t wanna give it away  
**E**  
But when it rains it pours  
**Bsus2**

I ll take it on the chin

**F#**

I ll love it til the end

**B**

Someone out there is living my dream

[Verse 4]

**F#**

Maybe it s closer than it seems

**E**

You ve always known it

**F#**

I m just learning it somehow

[Chorus]

**B**

I ve got no control I m just living for the moment

**F#**

I lost all control and I did nt even know it

**E**

I m thinking you re the only one

**F#**

Who could take me back home

**B**

I ve got no control I m just living for the moment

**F#**

I lost all control and I did nt even know it

**E**

I m thinking you re the only one

**F#**

**B**

Who could take me back home
