It was a Friday night

No cover but the cover band was sounding right

But there you were

Em

Just flirty dancing

By the neon sign

To fishing in the dark and

C

Reeling in my heart

And I look where you are

[Pre-Chorus]

G

I m hooked on kissing and getting

C

Getting you turned on

Buzzing and loving on you

Em

All night long

Like a hit song on the radio

C

You already know the way it goes

All it took was a look and

[Chorus]

G

I was hooked on

The way that you taking

C

Taking my shirt off

And running my fingers

Em

Through your long blonde

Hair falling in your eyes

Like the first time they caught mine
