Anyway
Dynamite Hack

This chorus sounds right to me, and I kinda played with the verses, but it works.
You can actually try a lot of variations with the verses.
Ebm, **B**, **F#**, **C#**   WICKED SIMPLE

```
           Ebm                              B                         F#
CHORUS: So here we are, stuck in hell, same old game we know it well,

          C#              Ebm
I don t mind, anyway

                               B                     F#          C#
Spark it up and numb me on and off agin, oh what the hell, I don t mind

anyway.
          F#            B  C#        F#              B      C#
VERSE I: You ve gotta be, kidding me, I m through with you boy anyway

F#                  B  C#      F#               B      C#
I ll wait for you, I always do, it s dumb but I want to, anyway.

(CHORUS)
          F#               B       C#       F#              B
VERSE II: Been sittin  here, have another beer, I m drunk but I want some

C#      F#           B      C# F#               B          C#
anyway. Too numb to know that I m happy, without you I m better off, anyway.
