(G - C/G - Em/D - C/G - G - C/G - Em/D - G - C/G - Em/D - G - C/G - Em/D - G - C/G)

```
      G      C/G      Em/D
I hear about all I m good for
      G      C/G      Em/D
is spouting off lines of love
              G      C/G
cause I ve been saving those fears
      Em/D      C/G
for another set of ears
      G      C/G      Em/D
as lonely and naive as mine.
```

```
      G      C/G      Em/D
If it s addiction you want... well you ve got it
              G      C/G      Em/D
They don t come no more addicted than me
              G      C/G
A couples pills to help me think
              Em/D      C/G
then pour some whiskey in my drink
      G
and I ll pray you re the one that keeps me from my dreams.
```

(Chorus)

G C/G Em/D C/G
Cause my dear, you re too good to be
G C/G Em/D C/G
I can t find better reasons for losing some sleep
G C/G Em/D C/G
Just save me a place between your sheets
G Gsus2 C/G
and I ll let you make a mess out of me.

to do it s work upon my lips
G C/G Em/D
and this boy will grace a slow death with a smile
