DROP D TUNING

Intro:

D2 Am A2 C2 G2 (continue throughout verse)

D2 Am A2 C2 G2
Shooting star you breathe in me
Follow through to this glorious room of you and me
The boy sat down a little bit scared to breathe
I feel something near to me so are you
And why do I feel things near to me
And I cry inside because suddenly I m free

Csus4 D Csus4
I ve been there before, and I m not going back
D B2 G2
I need you more now that I can see... you now

D2 Am A2 C2 G2
He raised his hands and bitterness leaves
The blood he sees is the blood he needs
And how can I receive this love you have... I need
This is all I have you re all that s left in me

Csus4 D Csus4
I never felt this before now I m leaning against you
D B2 G2
I need this more now that I can see you
D A
That I can see you
G2 D G2
That I can see you

D2 Am A2 C2 G2
Shooting star you breathe in me
Follow through to this glorious room of you and me
