[Intro]

**D** **A**  
Please come back I miss you baby.

**F#m C#m D C**  
Come on each time ah yeah.

**F#m C#m D**  
Come on each time you blow my mind ah yeah.

[Verse 1]

**A F#m**  
Have you heard of the saying for those who are playing

**C#m D**  
You donâ€™t know what youâ€™ve got till itâ€™s gone

**A F#m**  
Well that was my calling, I knew I was falling

**C#m D**  
Into something that would be so wrong

**Fmaj7**  
But I caught hold of myself and changed for the better

**G**  
I canâ€™t get you out of my mind

**Fmaj7 E7**  
Cause something inside made me realise you were fine

[Chorus]

**A F#m**  
Each time when weâ€™re alone, I guess I didnâ€™t know

**C#m D**  
How far we were apart, shouldâ€™ve spoken to my heart

**A F#m C#m**  
I guess I didnâ€™t know that each time youâ€™d go away Iâ€™d cry

**D A-F#m-C#m-D**  
I canâ€™t take all these good-byes

[Verse 2]

**F#m**  
I know from this feeling, deep inside thereâ€™s healing

**C#m D**  
I know that Iâ€™m in control

**A F#m**  
Every day I am yearning, this love I feel burning

**C#m D**

Burning right through my soul

**Fmaj7**

**A**

So let's make a start of something that cannot be broken

**Fmaj7**

The mould is so strong, treat this love as a child

**D**

That grows into something worthwhile

[Chorus]

**A**

**F#m**

Each time when we're alone, I guess I didn't know

**C#m**

**D**

How far we were apart, should've spoken to my heart

**A**

**F#m**

**C#m**

I guess I didn't know that each time you'd go away I'd cry

**D**

| **A** | **F#m** | **C#m** | **D** |

I can't take all these good-byes

**Fmaj7**

Deep, love so deep, deep love so deep, yeah

**G**

I can't take all these good-byes

**Fmaj7**

Faithfully I will be, you will see, please believe me

**G**
