

Don't give up
Eagle-Eye Cherry

D
All our dreams are gone
G
With a loss of faith
D
We re still hanging on
G
For another day
D
It s so hard to see
G
That it s going to get better
D
And when will that be
G
It s hard to say

F#m **Bm**
We must believe
F#m **Bm**
That if we give we will receive
F#m **Em**
Yes we must believe
D **A**
That it s going to get better

D
Don t give up
Never give up
G
We won t stop giving
Giving all we got
D
Now we re breaking away
G
From what holds us down
D
This could be the day
G
That brings out the light
D
Now we re marching on
G
With the will of never giving up
D
This time we ll have won
G

Without a fight

F#m **Bm**
We must believe?

Solo: **C** **G D** (2x)

(G D)

Forgive and forget don t hold on to the bitterness
Filled with regrets we don t wanna go there again
The glass is half full so lets get it on with togetherness

Em **D**

And our number will grow we will prevail in the end
