A

Cause now I've gone and lost myself in you

E B

One time you catch a ride

A

And it takes you miles away

E

B

A

There's a chance of never feeling blue

A

And those lonely days will be long time forgotten

E

B

If we could find another way

A

Now let's contemplate this time of passion

E

B

Strong enough to make you stay

A

E

Because I do believe in forever

A

E

And forever I will stay

A

And those lonely days will remain
