

Long Way Around
Eagle-Eye Cherry

Long way around Eagle Eye Cherry
and his sister what ever her name is.

This song is really cool, it is pretty fast in changing chords between C-G
one of my friends sad that there should be a Capo in 4. i dont know but the song
rocks

and there is alot of life poured out over this song so sing it and you will be
happy. No doubt.

dont be to hard on me im not shure it is the right chorts all the way through
that is ok.

pleace give 5 stars for my chording.

you can look at other songs i have tabt.

Remember i only put chorts to good songs
