

**Promises Made**  
**Eagle-Eye Cherry**

D            D/C#            D/B    D/F#            E            A  
Promises made they were lost, somewhere beside you  
D            D/C#            D/B    D/F#            E            A  
Waiting around can leave some, feeling like I do  
D            D/C#            D/B    D/F#            E            A  
Promises made and we stayed, dreaming of leaving

Refrão: Bm            F#m    G            A  
We will find good days for us  
Bm            F#m    G            A  
The sun will shine brightly  
Bm            F#m            G            A            Em7    A  
Live our life if only for just a moment

D            D/C#            D/B    D/F#            E            A  
The goodbyes are gone but the echoe remains to remind you  
D            D/C#            D/B            D/F#            E            A  
Oh we could belong to the lucky ones, if we just tried to  
D            D/C#            D/B            D/F#            E            A  
Promises made where we laid, our days of believing

(Repete o Refrão)

D    D/C#            D/B            D/F#            E    A  
It s okay to cry for a moment when promises shatter  
D            D/C#            D/B            D/F#            E            A  
But don t waste your tears for too long, because soon it won t matter  
D    D/C#            D/B            D/F#            E            A  
Promises made they were lost, but don t bother grieving
