

**Im Sorry But Im Beginning To Hate Your Face
Eagle Seagull**

G
I don t give a damn
who lead who on

Em/G C/G
it s of no concern to me

G
if you could tell the new man, please

G
to hang up my shirt
as he takes it off your shoulders

Em/G C/G
it s the least he could do

G
if we re going to share you

C
and I m sorry

G
but I m beginning to hate your face

C
it s a face

G
that always seem to put me in my place

C
it s a face

G
that s as pretty as it is empty

Am
it s a hollow space

D G
into which all my words disappear without a trace

G
oh don t you know

Em/G
that you re--you re going to reap what you sow

C/G G
oh that sex is going to come back to hurt you in the ass

G
be cruel if you must
it seems as if you re trying

Em/G C/G

to take (?) G
and my desire has fashioned a new toy

C

and I m sorry

G

but I m beginning to hate your face

C

it s a face

G

that always seem to put me in my place

C

it s a face

G

that s as pretty as it is empty

Am

it s a hollow space

D

G

into which all my words disappear without a trace

Em/G G

I re-read all your letters

C/G

G

D

Em

and I liked them so well that I had to eat them all

C

G

D

yes, I ate them all and then slumped against a wall

Em/G G

I used to think of you as the sun

C/G G D Em

flinging your joy down to every one

C

G

D

but your eyes have changed so soonâ€¦| so soon

and your face-your face

G

your face is a vaccuum...

G

we don t talk about love

we don t talk about sex

Em/G

we don t talk about dreams

C/G

we don t talk about you

G

we don t talk about me

we don t talk about us

Em/G

we don t talk about him

C/G

G

we don t talk about anything at all.

I hope this was helpfull. Ive been searching for this a long time but with no luck so i had to do it myself with the song and my ears and a lot of guessing. Have a nice day!
