Intro/Chorus I ve written 2 versions of this part, both are exactly the same so use whichever you feel more comfortable with.

```

e|-----|
B|-----or-----0--2-----|
G|-----4--6-----0--2-----2--2-----|
D|-5--7-----7--7-7--(Bass Fill)-----|
A|------(0-0-3-3-5--5-5)-----|
E|------(0-0-3-3-5--5-5)-----|

```

Verse, This isn t very easy to tab as it s many just scales and random shit like that, i ll give you a few rough ideas on what it should be like.

```

e|-----8-8-10--10-8-----|
B|-10--10-10--10-10-8-10--13--10-8-10-----8-8-8-----|
G|-----|
D|-----|
A|-----|
E|-----|

```

Chorus

Just the intro but where the bass riff is you can play this

```

e|---5-5-8-8-10--10-10-----|
B|--(8-8)-----|
G|-----|
D|-----|
A|-----|
E|-----|

```
