

**Now Im A Fool**  
**Eagles Of Death Metal**

I just saw them play this song live the other week and Jesse played it differently than this, but his guitar was in a different tuning. This tab probably sounds best acoustic. Anyway, find out for yourself, and please rate!

Intro: **D Cadd9 D Cadd9** [2x]

Verse:

**D**  
Palmtrees and fun, fabulous sun

**Cadd9**  
Hollywoods always like that

**D**  
But nothing is real, even what you can feel

**Cadd9**  
It s just illusion

**A G**  
Suddenly you appeared

**D C**  
out of the smoke and haze and I think that you got me

**A G C**  
falling for you, I think that you got me...

**D**  
Moment of fun, glowed like a sun

**Cadd9**  
im telling my friends about you

**D**  
Not to say you re the one, but I put down my guns

**Cadd9**

and then you went Hollywood on me

A                      G  
Now I m a fool

I feel like the whole world knows and I just can't escape it

Figured your cool, I was so sweet on you and it seems like you faked it

Seems so cruel, think I could shake you off

C
A  
 yeah I m tough I can take it

I m tellin the truth, you put it real good on me...

D Cadd9 D Cadd9

**A**                      **G**

Now I m a fool

I feel like the whole world knows and I just can't escape it

Figured your cool, I was so sweet on you and it seems like you faked it

**G**                      **D**

Seems so cruel, think I could shake you off

**C** yeah I m tough I can take it **A**

I m tellin the truth, you put it real good on me...

D   Cadd9   D   Cadd9   (repeat until fade out)
