Learn to be still

[Verse 2]  
(same as verse 1)

Like sheep without a shepherd  
Don t know how to be alone  
So we wander round this desert  
Wind up following the wrong gods home

The flock cries out for another  
They keep answering that bell  
One more starry eyed messiah  
Meets a violent farewell  
Learn to be still  
Learn to be still

[Bridge]

**C#**

Now the flowers in your garden

**B**

They don't smell so sweet so sweet

**C#**

Maybe you'd forgotten

**D#m**                      **C#**

The heaven lying at your feet

**F#**            **F#**            **B**            **B**

**F#**            **F#**            **B**            **B**

[Verse 3]

(same as verse 1)

There's so many contradictions  
In all these messages we send  
Keep asking how do I get out of here  
Where do I fit in

Though the world is torn and shakin  
Even if your heart is breakin  
It's waiting for you to awaken  
Someday you will  
Learn to be still

(**F#**        **B** repeated over and over till end of song).

Learn to be still

Just keep on running

Keep on running....
