

Nightingale

Eagles

D **A** **G** **G** **A**
Iâ€™m hanging on to my peace of mind
I just donâ€™t know
Iâ€™m hanging on to those good times, baby
Just want to let them roll
Iâ€™m gonna make it to the light and joy
Iâ€™ll tell you why
I got a woman who can take me there
The apple of my eye

E **A** **G** **E**
Oh, I just donâ€™t know, no no, no, no
A **G**
I love her so

Donâ€™t let me see that morning paper
Cause I donâ€™t need those dues
Itâ€™s just the same old murder movie
But they call it the news
Iâ€™ll tell you what would be some story
And what would set me free
Is if the same thing happened to everybody
That just happened to me,

E **A** **G** **E**
oh, I just donâ€™t know, no, no, no, no
A **G**
Iâ€™ll never let her go

Bm **A**
Every time I hear somebody
D
sneakinâ€™up behind,
E
I turn around but I still hear that sound
A **G**
And just when Iâ€™m about to lose my mind
Bm
Here comes my baby
D **A**
Singing like a nightingale
Bm
Coming my way down along
Bb **F**
That devastation trail
C

well tell the lord above

G

Sheâ€™s got a brand of love

D

That cannot fail

Iâ€™m hanging on to my peace of mind

Thatâ€™s no lie

Iâ€™m hanging on to my special friend

The apple of my eye

My inspiration, too

Sheâ€™s got a lead on my heart and

My soul and she knows just what to do

Oh, I just donâ€™t know, no ,no, no, no

No, I get so low, and my mindâ€™s about to go

But wait a minute, here comes my baby

Singing like a nightingale

Coming my way down along that devastation

Trail

Well, let the fires burn, let the

Floods return

We will prevail

Hanging on to my peace of mind

I just donâ€™t know
