Take It To The Limit
The Eagles
Written by Randy Meisner, Don Henley, Glenn Frey

[Intro]

C F C G F

[Verse]

```
C                             F
All alone at the end of the evening
        C                           F
And the bright lights have faded to blue
        C             E7                Am
I was thinkin   bout a woman who might have loved me
          G
And I never knew
                            C                 F
You know I ve always been a dreamer Spent my life running round
                      C               F
And it s so hard to change Can t seem to settle down
                        Dm      F
But the dreams I ve seen lately
                  Fadd9         G              F     G
Keep turnin  out and burnin  out & turnin  out the same
```

[Chorus]

```
   F          C        F        C
So put me on a highway & show me a sign
    F             G             C    C F C G F
And take it to the limit one more time
```

[Verse]

```
        C                           F
You can spend all your time making money
        C                           F
You can spend all your love making time
      C          E7        Am                       G
If it all fell to pieces tomorrow would you still be mine
                              C                 F
```

```
And when you re looking for your freedom nobody seems to care
                     C                          F
And you can t find the door, can t find it anywhere
                          Dm        F
When there s nothin  to believe in
                               Fadd9                    G                  F    G
Still you re commin  back, you re runnin  back, you re commin  back for more

[Chorus]

     F             C         F          C
So put me on a highway & show me a sign
      F             G            Am        G
And take it to the limit one more time

[Ending]

F               G      F                 G
Take it to the limit,  take it to the limit
F              G            C
Take it to the limit one more time
         F             G         F              G
You can take it to the limit, yes take it to the limit
          C
One more time.
