

**The Heart Of The Matter**  
**Eagles**

>>Versão acústica

Introdução: **D D9 D D4**

**D** **A**  
I got the call today and I didn't want to hear  
**G**  
But I knew that it would come  
**D** **A**  
An old true friend of ours was talking on the phone  
**G**  
She said you'd found someone

**A** **A7**  
And I thought of all the bad luck and the struggles we went through  
**G**  
How I lost me, and you lost you  
**A** **A7**  
What are all these voices outside love's open door?  
**G** **A**  
Make us throw off our contentment and beg for something more

Chorus

**D** **A** **Bm** **G**  
I'm learning to live without you now, but I miss you sometimes  
**D** **Bm**  
The more I know, the less I understand  
**G** **A**  
All the things I thought I knew I'm learning again  
**D** **D/E**  
I've been trying to get down to the heart of the matter  
**Bm** **G**  
But my will gets weak and my thoughts seem to scatter  
**D** **Bm**  
But I think it's about forgiveness, forgiveness  
**G** **A**  
Even if, even if you don't love me anymore

**D** **A**  
Ah these times are so uncertain, there's a yearning undefined  
**G**  
People filled with rage  
**D** **A** **G**  
We all need a little tenderness How can love survive in such a graceless age?  
**A** **A7** **A**

Oh the trust and self-assurance that leads to happiness

**G**

They're the very things we kill, I guess

**A**

**A7**
