

Wasted Time

Eagles

C **Fm6**
Well baby, there you stand
C/G **F/G**
With your little head, down in your hand
F **C/E** **Dm** **C/E**
Oh, my God, you can't believe it's happening again
F **C/E**
Your baby's gone, and you're all alone
Dm **G7**
And it looks like the end.
C **Fm6**
And you're back out on the street,
C/E **F/G** **G7**
And you're tryin' to remember.
F **C/E**
How will you start it over?
Dm **C/E**
You don't know if you can
F **C/E**
You don't care much for a stranger's touch,
Dm **G7**
But you can't hold your man.
Am **E7/G#**
You never thought you'd be alone
G **D7/F#**
This far down the line
F **Em**
And I know what's been on your mind
Dm **G7** **C**
You're afraid it's all been wasted time.
Bm7 **E** **Am**
The autumn leaves have got you thinking
Bm7 **E** **Am**
About the first time that you feel
Bm7 **E** **Am** **C/G**
You didn't love the boy too much, no, no
F **Em** **Dm** **G7**
You just loved the boy too well, Farewell.
C **Fm6**
So you live from day to day,
C/G **F/G** **G7**
And you dream about tomorrow, oh,
F **C/E**
And the hours go by like minutes
Dm **C/E**
And the shadows come to stay

F **C/E**
 So you take a little something to
Dm **G7**
 make them go away.
Am **E7/G#**
 And I could have done so many things, baby
G **D7/F#**
 If I could only stop my mind
F **Em**
 From wondrin what I left behind
Dm **G7** **C**
 And from worrying bout this wasted time.
Ab **C**
 Ooh, another love has come and gone
Ab **C** **C** **Dm** **C/E**
 Ooh, and the years keep rushing on
F **C/E**
 I remember what you told
Dm **C/E**
 me before you went out on your own:
F **C/E**
 Sometimes to keep it together,
Dm **G7**
 We got to leave it alone.
Am **E7/G#**
 So you can get on with your search, baby,
G **D7/F#**
 And I can get on with mine
F **Em**
 And maybe someday we will find, that it
Dm **G7** **C**
 Wasn t really wasted time.
Ab **Bb** **C**
 Oh ooooh,
Ab **Bb** **C**
 Oh ooooh,
Ab **Bb** **C**
 Oh ooooh.
