

You Belong To The City
Eagles

[Verse 1:]

EM (each chord only requires one stroke)

The sun goes down
the night grows in

AM
You can feel it starting all over again.

EM
The moon comes up and the music calls

AM
You re gettin tired of staring at the same four walls.

EM
You re out of your room and down on the street

AM
Looking through the crowd in the midnight heat.

EM
The traffic roars and the sirens scream

AM
You look at the faces

it s just like a dream

AM7 **BM**
Nobody knows where you re going

AM7 **BM**
nobody cares where you ve been.

[Chorus:]

EM7
Cause you belong to the city

Cadd9
you belong to the night

AM **EM**
Living in a river of darkness beneath the neon light.

EM7
You were born in the city

Cadd9
concrete under your feet

AM
It s in your moves

EM
it s in your blood:

BM
You re a man of the streets.

[Verse 2:]

EM
When you said goodbye you were on the run

AM

Tryin to get away from the things you ve done.

EM

Now you re back again and you re feeling strange

AM

So much has happened and nothing has changed.

AM7

BM

Still don t know where you re going

AM7

BM

You re still just a face in the crowd.

You belong to the city
