[Verse 1]

C **G**
There's a place I keep in my heart for Johnny
C
He taught me many things that is a fact

I'd close my bedroom door
G **C**
I'd sit there and listen to the Man in Black

C
I guess things happen that way
F
Ring of fire and Ira Hayes
G **C**
Were You There When They Crucified My Lord

[Chorus]

C7 F
His music and the songs
C
Got me thinking right from wrong
F D G
How things are not always what they seem

He saw both sides of the argument

Bad desire and good intent

Johnny had a big effect on me.
