

Shotgun Acoustic
Earl Greyhound

Most notes in the Verse and Chorus are palm muted to make more space for the voice.

As for all the hammer ons and pull offs in the Main theme - figure it out yourself by

listening to the song. He plays some variations i couldn t quite figure out. But i think

it s good enough as it is.

This tab is according to the balcony tv acoustic version on youtube (http://www.youtube.com/watch?v=3v7waJaAY68&feature=player_embedded)

G- hammer on pulloff on the G-String then strum for the Chord for the last note
- finish
with **Asus2**.

[Verse #1]

Em C/G G Asus2 Em C/G G
I am nobody , nobody is who I am
G Em C/G
I am a traveler on this land
C/G Asus2
And nothing, nothing in my hands

I am nobody, nobody is who I am
I am a wanderer on these sands
And I got down on my knees and folded my hands

Em (all the way)
And on the great wings of a great bird
I was carried to a temple
Where I heard the word...

[Chorus]

Dead man on the run, him and his shotgun
Panic in the street, testing one two three
Simple is the song- sing to carry on
Dead man on the run, him and his shotgun

[Bridge]

[Verse #2]

Uhhuh x2
I am nobody, nobody is who I am
Through the red sky on the crow s wing I stand
And now to the radiant sun I surrender myself again
Then higher through the fire and to Orion with the raven
I look into the eyes...

[Chorus]

Dead man on the run, him and his shotgun
Panic in the street, testing one two three
Simple is the song- sing to carry on
Dead man on the run, him and his shotgun

[Bridge2]

Main Theme played over Chorus

[Chorus]

I am nobody, nobody is who I am
Through the red sky on the crow s wing I stand
And now to the radiant sun I surrender myself again
Then higher through the fire and to Orion with the raven
I look into the eyes...

End it with some variations on the Main Theme played with powerchords.
