

Once In A Blue Moon
Earl Thomas Conley

B Ebm/B G#m B/G
Nine times out of ten, she s right when I am wrong,
E B/E C#m F#sus F#
When I won t give in, she just goes along.
B Ebm/B G#m B/G
Standing by my side, sittin home alone,
E F#sus F#
I ll never know what keeps her hangin on,
E Fdim F#sus F#
When anybody else would be long gone.

C#m F#
But once in a blue moon,
B Ebm/B G#m B/G
I ll do something right.
C#m F#
And once in a blue moon,
B Ebm/B G#m B/G
I ll make her feel so fine.
C#m F#
I can make her laugh and make her cry,
G#m B/G E B/E
She hates the way she loves me sometimes,
C#m F# B
But once in a blue moon, I ll do something right.

B Ebm/B G#m B/G
She s starving for affection, so hungry for loves touch,
E B/E C#m F#sus F#
But she only hears I love you when we re making love.
B Ebm/B G#m B/G
Lord, I ll always wonder why she loves me so much,
E F#sus F#
When the best I ll ever do won t be enough,
E Fdim F#sus F#
So I ll just thank my lucky stars above.

C#m F#

That once in a blue moon,

B Ebm/B G#m B/G

I ll do something right.

C#m F#

And once in a blue moon,

B Ebm/B G#m B/G

I ll make her feel so fine.

C#m F# Gm

Cause I can make her laugh, oh and make her cry,

G#m B/G E B/E

She hates the way she loves me sometimes.

C#m F# E Ebm G#m Ebm/B B B/G

Once in a blue moon, once in a blue moon,

C#m F# B Ebm/B G#m B/G

Every once in a blue moon, I ll do something right.

C#m F#sus F# B

Once in a blue moon.
