

Once In A Blue Moon
Earl Thomas Conley

D F#m/B Bm D/G
Nine times out of ten, she s right when I am wrong,
G D/E Em Asus A
When I won t give in, she just goes along.
D F#m/B Bm D/G
Standing by my side, sittin home alone,
G Asus A
I ll never know what keeps her hangin on,
G G#dim Asus A
When anybody else would be long gone.

Em A
But once in a blue moon,
D F#m/B Bm D/G
I ll do something right.
Em A
And once in a blue moon,
D F#m/B Bm D/G
I ll make her feel so fine.
Em A
I can make her laugh and make her cry,
Bm D/G G D/E
She hates the way she loves me sometimes,
Em A D
But once in a blue moon, I ll do something right.

D F#m/B Bm D/G G D/E Em Asus A
INSTRUMENTAL

D F#m/B Bm D/G
She s starving for affection, so hungry for loves touch,
G D/E Em Asus A
But she only hears I love you when we re making love.
D F#m/B Bm D/G
Lord, I ll always wonder why she loves me so much,
G Asus A
When the best I ll ever do won t be enough,
G G#dim Asus A
So I ll just thank my lucky stars above.

Em A

That once in a blue moon,

D **F#m/B** **Bm** **D/G**

I ll do something right.

Em **A**

And once in a blue moon,

D **F#m/B** **Bm** **D/G**

I ll make her feel so fine.

Em **A** **Bbm**

Cause I can make her laugh, oh and make her cry,

Bm **D/G** **G** **D/E**

She hates the way she loves me sometimes.

Em **A** **G** **F#m** **Bm** **F#m/B** **D** **D/G**

Once in a blue moon, once in a blue moon,

Em **A** **D** **F#m/B** **Bm** **D/G**

Every once in a blue moon, I ll do something right.

Em **Asus** **A** **D**

Once in a blue moon.
