**A** **D**  
Well I met in a small town bar not far from home

She was having second thoughts about a man who was always gone  
**A** **D**  
Said the only way to get to him was a telephone

So she held on to me when she couldn t hold her own

[CHORUS]

**A** **D** **A**  
She said I can be had but I can t be bought  
**E** **A**  
And I can be bad lord if I don t get caught  
**A7** **D**  
But I d rather be loved than left alone  
**A** **E** **A**  
Than be here in the middle some where between right and wrong

**A** **D**  
She said you know I never was the kind to spread it around  
**A** **E**  
But I ll let you get to me as long as you don t let me down  
**A** **D**  
Said I got the kind of love it takes to make it feel slow  
**A** **E** **A**  
But don t care how you get me there just long as I go
