

**Goodbye  
Earshot**

-----  
GOODBYE - Earshot  
-----

Tuning: EADGBE

Capo 2

[Intro]

Bm Badd7 A Aadd7

Bm

Hollow

Badd7

Seem the stars in the sky

A

Aadd7

Where my dreams they seem to follow

Bm

Shadows

Badd7

In the walls of my mind

A

Aadd7

AND these thoughts they seem so shallow

Bm

A

I can't make sense of all this

Bm

Delivered to confusion from bliss

A

Suffered so long and I miss

Feeling alive

[chorus]

Bm A

No

G

F#

Bm

I'm not scared to say goodbye, I've had enough

A

G

Of your sick and twisted lies

F#

Bm

AND your cold and heartless words

A

G

When you're slowly coming to

F#

Bm

No I won't be with you

A                  G  
Do you feel the way I feel  
          F#                  Bm  
Do you feel me moving on

Bm Badd7 A Aadd7

Bm                  Badd7  
Again I find  
                  A                  Aadd7  
I m searching for a place to run and hide  
                  Bm                  Badd7  
Somewhere to rest my mind  
                  A                  Aadd7  
A moment to feel myself again and never say

Bm                                  A  
I can t make sense of all this  
                                  Bm  
Delivered to confusion from bliss  
                                  A  
Sufered so long and I miss  
  
Feeling alive

[chorus]

Bm  
I m ok  
A  
Now without you  
Bm                  A  
Time to finally turn the page  
          Bm  
So hurt and I  
A                                  E  
Won t forgive what you did to me  
          F#                  Bb  
I can hardly breathe

[chorus]
