

Invitation

Earth and Fire

**Em** **Bm**

My dream told me

**C** **E** **Am**

Go and look for the girl in the sand

**G** **B** **B7** **B+** **B**

Near the hill far away

**Em** **Bm**

She will appear

**C** **E** **Am**

When the sunshine awakes and the morningdew

**G** **B**

Spreads over the day

**A** **C**

Yes Iâ€™m walking down to my lady

**G**

Got this feeling tonight

**D** **Ddim**

Iâ€™ve had an invitation

Yes Iâ€™m walking down to my lady

I feel so good

Iâ€™ve got an invitation

She forces him

To come closer to her

But she fades away

While sheâ€™s calling his name
