

**Memories**

**Earth and Fire**

**Em Bm G Bm F#m Em**

**Em**  
If you had been away  
**Bm**  
And left this world behind  
**Em**  
So far away

**D**  
The problems on your mind  
**A A+**  
Alone again  
**D E**  
Feeling very sad  
**D Am D Am**  
Left with your memories

If you had been away  
And made a lot of fun  
No place to stay  
Always on the run

Alone again  
Feeling very sad  
Left with your memories

**Bm F#m Em**

Is it really worthwhile?

**Em Bm G Bm F#m Em**

Is it really worthwhile

**Em Bm G Bm F#m Em**

Now if you've been away  
And wandered on the shores  
Games to play  
Is what you been looking for

Alone again  
Feeling very sad  
Left with your memories  
Left with your memories  
Left with your memories
