Earth and Fire

Earth And Fire - Weekend
(Gerard Koerts)

[Verse]

Am **Dm**
Sunday and it s so hard to say goodbye
 A#
I don t know what to do
B **E**
Passing the days without you
Am **Dm**
Friday night when I see you again
 G
You ll make a fool out of me
 G **Dm**
I don t wanna be your lover for the weekend

[Verse]

Am **Dm**
Sometimes when I m looking at your face
 A#
There s something in your eyes
 B **E**
That makes me realize
 Am **Dm**
We ve got no chance if we re going on this way
 G
You mean such a lot to me
 G **Dm**
I don t wanna be your lover for the weekend

[Chorus]

F **C**
Love in a woman s heart
 Gm
I wanna have the whole
 Dm
And not a part
 F **C**
It s strange that this feeling grows more and more
 Gm
Cause I ve never loved

Dm

Someone like you before
