

## Hard Times

### Eastmountainsouth

This is a cover of a Bob Dylan s song, also part of the Elizabethtown Soundtrack.

I m pretty much sure this should be played with a capo, so...

Stick a capo on the 4th fret

[CHORDS]

(referring to the capo)

Let us pause in life s pleasures and count its many tears

**A**  
While we all sup sorrow with the poor.

**D** **G** **D**  
There s a song that will linger forever in our ears,

**A** **D**  
Oh, hard times, come again no more.

**D** **G** **D**  
Tis the song, the sigh of the weary.

**D** **A**  
Hard times, hard times, come again no more.

**D** **G** **D**  
Many days you have lingered around my cabin door.

**A** **D**  
Oh, hard times, come again no more.

**D** **G** **D**  
While we seek mirth and beauty and music light and gay.

**A**  
There are frail forms fainting at the door.

**D** **G** **D**  
Though their voices are silent, their pleading looks will say.

**A** **D**  
Oh, hard times, come again no more.

**D** **G** **D**  
Tis the song, the sigh of the weary.

**D** **A**  
Hard times, hard times, come again no more.

Many days you have lingered around my cabin door.

**A**                  **D**  
Oh, hard times, come again no more.

**D**                                  **G**                  **D**  
There s pale drooping maiden who toils her life away
