

Hard Times

Eastmountainsouth

This is a cover of a Bob Dylan s song, also part of the Elizabethtown Soundtrack.

I m pretty much sure this should be played with a capo, so...

Stick a capo on the 4th fret

[CHORDS]

(referring to the capo)

D **G** **D**
Let us pause in life s pleasures and count its many tears

A
While we all sup sorrow with the poor.

D **G** **D**
There s a song that will linger forever in our ears,

A **D**
Oh, hard times, come again no more.

D **G** **D**
Tis the song, the sigh of the weary.

D **A**
Hard times, hard times, come again no more.

D **G** **D**
Many days you have lingered around my cabin door.

A **D**
Oh, hard times, come again no more.

D **G** **D**
While we seek mirth and beauty and music light and gay.

A
There are frail forms fainting at the door.

D **G** **D**
Though their voices are silent, their pleading looks will say.

A **D**
Oh, hard times, come again no more.

D **G** **D**
Tis the song, the sigh of the weary.

D **A**
Hard times, hard times, come again no more.

D **G** **D**
Many days you have lingered around my cabin door.

Oh, hard times, come again no more.

There s pale drooping maiden who toils her life away

With a worn out heart, whose better days are o er.

Though her voice it would be merry, tis sighing all the day,

Oh, hard times, come again no more.

Tis the song, the sigh of the weary.

Hard times, hard times, come again no more.

Many days you have lingered around my cabin door.

Oh, hard times, come again no more.

Tis the song, the sigh of the weary.

Hard times, hard times, come again no more.

Many days you have lingered around my cabin door.

Oh, hard times, come again no more.

Oh, hard times, come again no more.

And that s all, hope you enjoyed this beautiful song :)
