Does it go with tequila or beer

He dropped me off at the hotel  
I took a u-turn into the bar  
I sat down on a stool out by the pool  
Next to a lady smoking a Cuban cigar  
I ordered a drink and took out my cell phone  
I tried to make a call to L.A.  
Dang thing wouldn't work, I started to curse  
Bartender said, I bet it can wait

Chorus

**D C G D C G**  
Aye, aye, aye . . . change is in the air  
**D C G D C G**  
Now, aye, aye, I . . . ain't got a care

Six months later, I'm driving a taxi  
I got a Hawaiian shirt and a tan  
Pick up some guy in a Brooks Brothers tie  
I say, it's time to loosen up man

Chorus

There's a lot to learn about livin'  
It's a different life down here  
Our biggest problem's decidin' what fish  
we're fryin'  
Does it go with tequila or beer

Enjoy
