**AM DM**

I do not wish to know where you are

**AM EM**

I do not wish to know where you re from

**AM EM**

I do not wish to be anywhere

\*(Same chords from the first part)

My liver is so old

All purple & gold

We started to dance

I woke up in France

Although I did

I ll make you take the blame

I ll make you take the blame

I ll do it again

Although I did  
I ll make you take the blame  
I ll make you take the blame  
I ll do it again

I do not wish to know where I am  
I do not wish to know where you are  
I do not wish to know where you re from  
I do not wish to be anywhere

I do not wish to know where I am  
I do not wish to know where you are  
I do not wish to know where you re from  
I do not wish to be anywhere.
