

My Kingdom

Echo & the Bunnymen

My Kingdom

Intro: G C (4X) D G C G (2X)

D G C G
I chop and I change and the mystery thickens
D G C G
There s blood on my hands and you want me to listen
D G C G
To brawn and to brain when the truth s in the middle
D G C G
Born of the grain like all good riddles

Chorus:

D C
B-b-burn the skin off and climb the roof top
G Gsus4 G
Thy will be done
D C
B-b-bite the nose off and make it the most of
G
Your king- kingdom kingdom kingdom

You kill when you talk and the enemy weakens
Your words start to walk when you re not even speaking
If my heart is a war it s soldiers are bleeding
If my heart is a war it s soldiers are dead

Chorus

Solo over C G

I ve lost and I ve gained and while I was thinking
You cut off my hands when I wanted to twist
If you know how to dance to boney maroney
He s doing the ballet on both of his wrists

Chorus

G C G
(you re a bitter malicious person)
C G
(and the death is well overdue)
(you suck the blood that kills you)
(you kiss the hand that hates you)
