G Gsus4 G  
Thy will be done

B-b-bite the nose off and make it the most of  
G  
Your king- kingdom kingdom kingdom

You kill when you talk and the enemy weakens  
Your words start to walk when you re not even speaking  
If my heart is a war it s soldiers are bleeding  
If my heart is a war it s soldiers are dead

Chorus

I ve lost and I ve gained and while I was thinking  
You cut off my hands when I wanted to twist

He s doing the ballet on both of his wrists

(you re a bitter malicious person)  
C G  
(and the death is well overdue)
