Corrections and suggestions are obviously more than welcome ! Verse 1: C# I want it now I want it now C# not the promises of what tomorrow brings Fm I need to live in dreams today C# お帯 I m tired of the songs that sorrow sings Bridge : C#7 F# And I want more than I can get G# Just trying to, trying to, trying to forget Verse 2: C# I d walk to you through rings of fire C# and never let you know the way I feel Fm under skin is where I hide F# C#

```
Bridge :
             C#7
                                          F#
and I want more than I can get
just trying to, trying to, trying to forget
Chorus (X2):
F#
nothing ever lasts forever
                                   C#
nothing ever lasts forever
Verse 3:
C#
I want it now
Fm
I want it now
F#
                                                      C#
don t tell me that my ship is coming in
                                          \mathbf{F}\mathbf{m}
nothing comes to those who wait
         F#
                                                              C#
time s running out the door you re running in
Bridge :
                                         F#
            C#7
So I want more than I can get
just trying to, trying to, trying to forget
Chorus (X2):
F#
nothing ever lasts forever
                                   C#
nothing ever lasts forever
C#
                                      F#
all the shadows and the pain
are coming to you ...
```

the love that always gets me on my knees
