Echo and the Bunnymen - Nothing lasts forever

written by Echo and the Bunnymen  
chords transcribed by Lupas

I was quite surprised to find out that no one transcribed the chords of this beautiful song yet, so i thought it was time to give my first contribution to the OLGA, even though I m just a beginner in guitar playing. Corrections and suggestions are obviously more than welcome !

Verse 1 :

**B**  
I want it now  
**Ebm**  
I want it now  
**E** **B**  
not the promises of what tomorrow brings  
**Ebm**  
I need to live in dreams today  
**E** **B**  
I m tired of the songs that sorrow sings

Bridge :

**B7** **E**  
And I want more than I can get  
**F#**  
Just trying to, trying to, trying to forget

Verse 2 :

**B** **Ebm**  
I d walk to you through rings of fire  
**E** **B**  
and never let you know the way I feel  
**Ebm**  
under skin is where I hide  
**E** **B**

the love that always gets me on my knees

Bridge :

**B7**

**E**

and I want more than I can get

**F#**

just trying to, trying to, trying to forget

Chorus (X2) :

**E**

nothing ever lasts forever

**B**

nothing ever lasts forever

Verse 3:

**B**

I want it now

**Ebm**

I want it now

**E**

**B**

don t tell me that my ship is coming in

**Ebm**

nothing comes to those who wait

**E**

**B**

time s running out the door you re running in

Bridge :

**B7**

**E**

So I want more than I can get

**F#**

just trying to, trying to, trying to forget

Chorus (X2) :

**E**

nothing ever lasts forever

**B**

nothing ever lasts forever

**B**

**E**

all the shadows and the pain

are coming to you ...
