**Echo & the Bunnymen**

Show of Strength

Intro: **E C D A** (5X)

**E C**  
Realistically  
**D A E C D A**  
It s hard to dig it all too happily  
**E C**  
But I can see  
**D A E C D A**  
It s not always that real to me

A funny thing  
It s always a funny thing  
And those sadly things  
Just get in the way

**C E**  
Open to suggestion  
**C E**  
Falling over questions

Intro

Hopefully  
But that s as well as maybe  
A shaken hand  
Won t transmit all fidelity

Your golden smile  
Would shame a politician  
Typically  
I ll apologize next time

Bonds will break and fade a snapping all in two  
The lies that bind and tie come sailing out of you

Verse 1 (different rhythm)

Is always a funny thing  
And those sadly things  
It s always a sadly thing

Bonds will....

**E**

A show of strength is all you want  
You can never set it down  
Guts and passion those things you can t  
Even set down  
All those things you think might count  
You can never set them down  
Hey I came in right on cue  
One is me and one is you
