

Stormy Weather
Echo & the Bunnymen

D G (x3) E A

D G
Hope you re feeling better now

D G
Hope you got my letter, how?

D G
Is my stormy weather now

E A
gonna change?

Can I be like everyone?
Pretending that there s nothing wrong?
Remember when we walked upon
clouds that never rain?

G D
And I need it more than love
And I love it more than life

A
And I want those stars above to shine this night

D G
Baby, ever wondered why?

D G
I could make you laugh and cry?

D G
Eclipsing all your summer skies

E A
some things never change

G D
And I need it more than love
And I love it more than life

A
And I want those stars above to shine this night

D
You want it?

G
You got it

E A
There s nothing chained down

D
You need it?

G
I ll steal it

E A

Just put your name down

E **A**

I ll put my name down

D **G A (3x) G A**

D G

D G

Hope you re feeling better now

Hope you got my letter how

Is my stormy weather now

Is my stormy weather now

Can I be like everyone?

Pretending that there s nothing wrong?

Remember when we walked upon

Remember when we walked upon

Remember when we walked upon

Remember when we walked upon

E

Clouds that never rain

A

Every cloud must drain

G

D

And I need it more than love

And I love it more than life

A

And I want those stars above to shine this night

(similar to the other chorus)

You want it?

You ve got it

There s nothing chained down

You need it?

I ll steal it

Just put your name down

I ll put my name down

You want it?

You ve got it

Now I know it s to you I m bound

You need it?

Godspeed it

Just put your name down

I ll put my name down

D G

How s my stormy weather now?

How s the stormy weather now?

How s the stormy weather now?

How s my stormy weather now?

How s the stormy weather now?

How s my stormy weather now?

How s my stormy weather?
