

Yo Yo Man

Echo & the Bunnymen

Yo Yo Man

A **E** **A** **E**
Froze to the bone in my igloo home
A **E** **A** **E** **A** **E** **A** **E**
Counting the days til the ice turns green
A **E** **A** **E**
You know when Heaven and hell collide
A **E** **A** **E** **A** **E**
There are no in-betweens

Chorus:

C **E** **C** **E**
Flames on your skin of snow turn cold
C **E** **C** **E** **C**
Cold as the wind that blows through my headstone

Break: **Bb** **C** **Em** (3x) **D** **Bm** (3X)

Collecting the bones of my friends tonight
Sowing the seeds in a fruitless land
You know when prayers all hit the ground
There is no higher hand

Chorus

I m the yo-yo man, always up and down
So take me to the end of your tether

Chorus, Break and fade
